

## Practice with Commands and Adjectives

In the following sentences people are giving commands. In each sentence there are two possible orders but only one is correct. Complete the sentence by filling the gap with the right order, then write the English translation of your finished sentence.

Example: “ milites! <u>sistite!</u> ”		siste!	<b>sistite!</b>
English: “Soldiers! Stop!”			
1	“Flavia! _____”	scribite!	scribe!
2	“Candide! cenam _____”	coqui!	coquite!
3	“ milites! _____”	audi!	audite!
4	“Rufe! _____”	nolite tangere!	noli tangere!
5	“Pandora! _____”	venite Eboracum!	veni Eboracum!”

The following sentences are incomplete. The missing word is an adjective or a command. Choose the word or phrase that is correct and makes sense. Then translate your completed sentence into English.

Example: Lepidina <u>benigna</u> est.		<b>benigna</b>	magnus	parvus
English: Lepidina is kind.				
1	Rufus _____ est.	maximus	laetus	obesa
2	Candide! _____	cenam coqui!	cenam coquite!	
3	Corinthus _____ est.	iratus	laeta	parva
4	Vibrissa _____ est.	improbus	novus	obesa
5	Rufe! _____	nolite lacrimare!	noli lacrimare!
