

Practice with Verbs

What do the following verbs mean in English? Remember that the ending of each verb tells you who is doing the action e.g. laboramus = we work

Don't forget to say whether **you** is *you singular* (one person) or *you plural* (more than one.)

Write singular as **s** and plural as **pl**.

Example: laboramus		<i>we</i>	<i>work</i>
1	procedunt		
2	gratias agimus		
3	audio		
4	equitas		
5	ludo		
6	habitat		
7	scribunt		
8	ridet		
9	pugnatis		
10	legis		

How did you get on?
