

Practice with Nouns and Adjectives

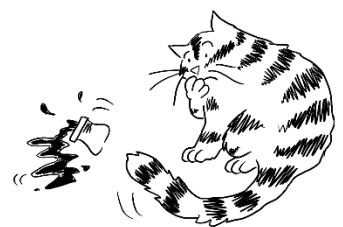

For each sentence, choose ONE adjective to describe the subject of the sentence. Write the adjective in the gap.

Remember it must make **sense** and must be the same **number** (singular or plural) and the same **gender** (masculine or feminine)

Example: Vibrissa <u>improba</u> est.		callidus	sordida	improba
1	Pandora _____ est.	iratus	laetus	laeta
2	Minimus _____ est.	optima	parva	obesus
3	Lepidina _____ est.	longus	anxia	fessus
4	Candidus et Corinthus _____ sunt.	optimus	fessi	maximus
5	villa _____ est.	fessus	iratus	squalida

Now write down what each sentence means in English

Example: <i>Vibrissa is naughty.</i>	
1	
2
