Use these words to complete the 'quid tibi dolet?' exercise, or to write your own comic strip or play script, to film with human actors or puppets.

quid tibi dolet? What hurts?

In each box, draw a little patient with the matching problem. Draw a red X on the affected bit if you can't draw detailed injuries....

uenter mihi dolet!	pedes mihi dolent!	oculus mihi dolet!
prurio!	maculas habeo!	dentes mihi dolent!
nauseo!	nasus mihi dolet!	auris mihi dolet!
digitus mihi dolet!	collum mihi dolet!	dorsum mihi dolet!
manus mihi dolet!	sternuo!	tussio!
